

## St. Martin of Tours Academy

Since 1951, St. Martin of Tours Academy has been serving families and children in the greater San Diego region by providing holistic and exceptional education for students grades K-8 each year. We are very unique in that we employ a system of human growth and a learning process called Workshop Way®, which prepares students to be lifelong learners through a curriculum that has a strong moral, spiritual, and academic foundation. Students also learn life skills and how to make responsible decisions on their own. We base our philosophy of education on the premise that all persons are created equal in worth as human beings.

Our mission is to prepare students to be lifelong learners who understand the need for peace and justice, and are challenged to answer the call to service and become engaged citizens of the world. To fulfill this mission and provide enriching educational opportunities to students, we host an annual fundraiser that engages the community that we serve.

This year our annual fundraiser will be held on November 3, 2018. The theme for the evening is "A Night Under the Big Top" and will include dinner, music, dancing, live and silent auctions, and multiple cash prizes... culminating with the \$10,000 Grand Prize!!! Proceeds from the event will support Catholic education, operational expenses, and tuition assistance for students and families in need.

Below are a few of the ways that you may help contribute to our success:

- A donation of goods and/or services which can be auctioned at the event
- Sponsorship of the event through a monetary gift
- Purchase of one or more opportunity drawing tickets (\$25 dollars each)

When you make a donation of goods or services, your business will be listed in our event program. We highly encourage our St. Martin of Tours Academy families to support the generous businesses that donate to our school by way of our fundraiser. This is our way of saying thank you to all those who have helped support our school.

Please visit our website for more information at [smartinsacademy.org](http://smartinsacademy.org). Any donation you are able to make would be greatly appreciated. Donations need to be received by October 3, 2018 to ensure publication in the event program.
